Session: 2018-2019 to 2022-2023

Nabajyoti College is one of the prestigious colleges in lower Assam and one of the oldest colleges; it is affiliated to Gauhati University. This college is engaged with imparting quality education in the lower part of Assam. The feedback system plays a critical role in determining and providing relevant guidance to improve teaching-learning effectiveness and raise the standard of education. Thus, the college's Internal Quality Assurance Cell (IQAC) guides the university's efforts and metrics towards academic excellence and offers a crucial and noteworthy commitment to enhancing educational quality. To do this, they gather input from a variety of stakeholders, including parents, teachers, alumni, and students. They then assess each academic session and take the appropriate steps to enhance the standard of instruction and campus atmosphere.

Feedback collection process:

The Feedback Process comprises of 3 stages:

- 1. Collection of Feedback:** The feedback process is collected through offline mode led by the Feedback Committee of Nabajyoti College with the help of various departments of the college.
- 2. Analysis of feedback:** The detailed analysis of feedback is carried out afterwards and the action taken report is prepared.
- 3. Action Taken:** The plan of action taken is decided based on the action taken report and necessary corrective measures are recommended for further improvements.

The Feedback of all stakeholders is collected via offline mode for the academic year 2018-2019 to 2022-2023 and analysed here.

This report contains the analysis of the feedback form received from different stakeholders. The analysis was done using a tabular representation and every single question from all stakeholders was again analysed by the pie diagram.
